

## **PUBLIC NOTICE OF PROPOSED ACTION**

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received an application for renewal of discharge permit #NEV97022 from the following applicant:

City of Boulder City  
P.O. Box 61350  
Boulder City, NV 89006-1350

The applicant operates the Boulder City Wastewater Treatment Plant (BCWWTP) located at 2000 Buchanan Boulevard, Boulder City, Clark County, Nevada. The facility's permitted treatment capacity is 1.81 million gallons per day (MGD) of domestic (sanitary) wastewater, and currently, 1.2 MGD of wastewater is treated. The wastewater is biologically treated in four lined treatment lagoons, including seasonal nutrient removal in a duckweed (lemna) lagoon. After disinfection, the effluent is disposed of in two earthen percolation trenches and is also reclaimed for sand/gravel washing and dust control application at Impact Sand and Gravel Quarry #187 (formerly Gornowich, Inc.), located 3 miles west of BCWWTP (reuse permit #NEV93013). The Division has made the tentative determination to issue (renew) discharge permit #NEV97022 for a period of five (5) years.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand-delivered or postmarked no later than 5:00 P.M. on September 12, 2003, either in person or by mail to:

Department of Conservation and Natural Resources  
Division of Environmental Protection  
Bureau of Water Pollution Control  
333 West Nye Lane  
Carson City, Nevada 89706-0851

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time. The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by calling Mark A. Kaminski, P.E., Bureau of Water Pollution Control at (775) 687-9424 (e-mail: [mkaminsk@ndep.nv.gov](mailto:mkaminsk@ndep.nv.gov)). The office fax number is (775) 687-4684. For further information, the interested reader can view a copy of this facility's Fact Sheet at the following website address: <http://ndep.nv.gov/admin/public.htm>
